Pursuant to An Act Relative to Extending Certain State of Emergency Accommodations, signed by Governor Baker on July 16th, which extends the expiration of the remote meeting provisions pertaining to the Open Meeting Law to March 31, 2023. Specifically, this extension allows public bodies to continue holding meetings remotely without a quorum of the public body physically present at a meeting location, and to provide "adequate, alternative" access to remote meetings. As such, no in-person attendance of members of the public is available but every effort will be made to ensure that the public can adequately access the proceedings in real time including a dial-in option.
