

	LED streetlights vs. deeper energy audit on a particular school, targeted to find biggest energy users. Need to also look at COVID Relief funds, possible to leverage for solar.	
7.	CARP update: Home stretch! Draft plan being released for public comment mid-April. PB will present to SB on 4/27 seeking endorsement. After incorporating feedback, final Weston Ahead Climate Action and Resilience Plan to be published in May. Anticipate yearly report on progress against goals; most towns update CARP every three to five years.	PB
8.	Other ideas for future conversation and contemplation: School composting. Bond ratings can include presence of climate plan. Reminders of town election and meetings. Kortni mentioned possibilities for Eversource audits and related grants.	
9.	The next meeting of the Sustainability Committee will be held via ZOOM on May 4 at 7:00 p.m.	All
10.	The Meeting adjourned at 8:20 p.m.	All
