registration information

You may register for programs online at www.weston.org or walk-in. If you chose to register online, we HIGHLY recommend that you sign on to the online system a few days before registration to make sure that you're prepared when online registration begins. In the past many of our programs filled within minutes. **** Please note: we do not reserve space for walk-in registrations.**

For new users, who have never participated in a Weston Recreation Department program, click on "Need an Account". Complete the required information and submit. You'll receive a confirmation email when your account has been set up in our system. **Please note** that it may take up to 48 hours for you to hear back from this office.

For those who have previously participated in Weston Rec. Programs, but have not set-up an online account including username and password. You will log onto the Town Website (www.weston.org) >Online Services>Register for Recreation Programs. Enter your home phone number (without spaces, dashes, etc) in both the username and password fields. You'll then be allowed into the system, where you can change both your username and password, answer the security questions and then you'll be set up to register for programs.

For returning users, you will enter the user name and password you set-up previously. When exiting WebTrac, always click the "sign out" button. Please do not "esc" when you've finished your session, or your username and password of your choosing will not be saved. Your household i.d. # will then become your username and password until you log on and change it again.

Weston Recreation will be open until 8:30pm on Wednesday, Sept 4 to assist you.

Music Together

#20106

Instructor: Music Together Staff

Discover the joy of family music making! Music Together, is about connecting with music, with your child, and with other families in your community. Playful and enriching, it's 45 minutes of fun (for everyone!) with benefits that extend far beyond the classroom. Parents and caregivers, regardless of musical ability, create a stimulating and rich environment that supports overall development. We provide you with the tools and resources you need (songbooks, guides, and a handy app for parents) to continue the music-making at home, so you can nurture your child's musical growth and realize the amazing benefits of music all the time, anytime. Fee includes weekly classes (including makeups for missed classes) and our materials (illustrated songbook, a CD, and an access code to sync your music with our "Hello Everybody" app).

Pre-K Karate

#20108

Instructors: Rocky & Wendy DiRico

Taught by world-renowned martial arts educator, Professor Rocky DiRico. With over 40 years of experience, Mr. DiRico is well known for his childrens' programs, in which he utilizes a positive approach to help students improve their self-confidence and always try their best. Being respectful and a good listener are two philosophies that children will learn to help them be successful. In this class, children will learn how to deal with social situations, such as bullying and strangers. They will learn how to resolve conflicts in a peaceful manner. Also, students will learn the importance of physical exercise and stretching, which is a regular part of the training. Mr. DiRico makes the classes fun, while stressing the importance of being serious and always trying your best.

Transportation

is provided from the child's school (Woodland and Country Schools) to the Community Center for all youth programs, except where noted. Children will need transportation home when class is ended. **Transportation is not provided on Fridays or for Piano Lessons, Workshops, Clinics, and One Day Programs.**

Recreation Notes

You must send a note to your child's homeroom teacher on each day that your child **will or will not** be attending any recreation program. The note should state the following:

- *Child's name
- *Date
- *Name of activity

This is imperative so that your child's teacher and the Recreation Department know where your child should be at the end of the day! If your child will not be attending an afterschool program for any reason, including absence from school, please call the Recreation Office that morning at 781-786-6260.

Blue, pre-printed notes will be available in the Recreation Office and on the first day of each program for your convenience.

Early Dismissal Days

There WILL BE recreation classes on school early dismissal days.

Kindergarten Dismissal: There will be transportation provided at 12:00pm dismissal ONLY. Transportation **will not** be provided for 11:30 dismissals. Days that we do not provide transportation, children should arrive at their program's start time. We **do not** provide a supervised lunch.

All Grades: Parents/guardian need to provide their own transportation for their children to afterschool programs at 12:45pm and 2:45pm.

Instructor: Empow Studios Instructor

You might have seen a 3D printer, but have you ever created your own 3D model? In this class, students develop their spatial and artistic abilities while using modern tools to create printer-ready 3D models. Kids learn modeling with simple objects first, and then develop their 3D modeling chops by working through increasingly complex objects. Final objects are printed at our home studio in Lexington and handed out in the last class to take home. In this class, children will learn Tinkercad and Sculptis.

Karate, Beginner & Intermediate

#20211

Instructors: Rocky & Wendy DiRico

Taught by world-renowned martial arts educator, Professor Rocky DiRico. With over 40 years of experience, Mr. DiRico is well-known for his childrens' programs, in which he utilizes a positive approach to help students improve their self-confidence and always try their best. Being respectful and a good listener are two philosophies that children will learn to help them be successful. In this class, children will learn how to deal with social situations, such as bullying and strangers. They will learn how to resolve conflicts in a peaceful manner. Also, students will learn the importance of physical exercise and stretching, which is a regular part of the training. Students at all levels will learn basic karate skills, forms (kata), non-contact sparring and self-defense. As students progress, focus will be made on fine-tuning their skills, and learning more advanced techniques. Mr. DiRico makes the classes fun, while stressing the importance of being serious and always trying your best.

Friendly Kids of Weston: A Fifth Grade Musical Theater Experience

#20229

Instructor: Weston Friendly Society Staff

Formerly known as Weston Junior Broadway, this exciting program will introduce students to the magical world of musical theatre in this revamped extra-curricular experience. The Friendly Kids of Weston program provides a unique opportunity for Weston fifth grade students to work with a professional director/choreographer and music director from The Weston Friendly Society (Weston's own community theater). Students will rehearse and perform the junior version of a well know musical. We welcome all experience levels to join us to learn about acting, singing, dancing, and working together to create a truly memorable and bonding experience! The selected show will have many parts to feature a wide variety of students. December, January, and February rehearsals will be held in the Great Room at the Weston Community Center. March rehearsals, including tech week and performances, are tentatively planned to be held in the Amy Potter Center of the Weston Middle School. Ticket proceeds will support Make a Wish Foundation. Needs based scholarships are available; please contact westonfriendlysociety@gmail.com to inquire. Please register at www.westonfriendly.org. For any questions or more information please contact Vallery Koenig at westonfriendlysociety@gmail.com.

Weston Skating Club is now part of the Weston Recreation Department. Enjoy the same instruction, free skate, and hockey offerings with the administrative process you already know through Weston Recreation. Our skating instruction approach focuses on working with each student at the pace they are comfortable at, so lessons are enjoyable. Our primary objective is high quality instruction programs for children. Any child, who learns to skate properly, whether he or she goes on to figure skating or hockey, will enjoy distinctly better performance and the satisfaction that goes with it.

All students become members of the USFSA's Basic Skills Program. The program, which takes students from beginning to advanced levels, is widely considered the most comprehensive ice skating instruction available.

Snowplow Sam, Basic Skills, and Fundamentals of Hockey Skating are still offered. Please see descriptions on the following pages.

Weston Residents must purchase a skate membership to participate in skate lessons as well as participation in other programs, including Family Skating on Sunday afternoon and during school vacations.

Rental skates are not provided. Students need to provide their own skating equipment.

Family Membership = \$65.00 *includes only parents and unmarried children under the age of 25, who live in the same house and whose name appear on the Town of Weston Census.

Individual Membership = \$45.00

All Weston Residents must purchase a membership before registering for lessons or Men's hockey. Membership includes admission to Family Skate.

Memberships are not available to non-residents

Family Skate: Family Skate will take place every Sunday between the hours of 4:00 pm – 6:00 pm. A Skate Membership is required for Family Skate. Residents with skate membership may bring resident or non-resident guests for \$5 per person guest fee

Sundays, 4:00 pm – 6:00 pm

November 17, 2019 – March 1, 2020

Cancelled 12/1

Snowplow Sam
#20901

Snowplow Sam levels are introductory classes divided into three progressive levels allowing children with no prior skating experience to build confidence while learning the basic skills of skating. These classes are designed to help children six and younger develop the ABCs of movement – Agility, Balance, Coordination and speed. The ABCs are essential for developing fundamental movement skills and physical literacy. All classes will be taught in a safe and positive environment, incorporating fun and games making class time an enjoyable experience for all.

Weston Skating Club

Basic Skills

Basic Skills teaches the FUNdamentals of ice skating and provides the best foundation for figure skating, hockey, and speedskating. Six progressive levels introduce forward and backward skating, stops, edges, crossovers, and turns. Upon completion of the Basic Skills 1-6 levels, skaters will be able to confidently advance to more specialized areas of skating. All classes will be well-structured with the focus on proper skill development taught in a positive, FUN, and social environment. Skaters will progress at their own rate and advance after skill mastery is demonstrated.

Discover, Learn and Play – Basic 1 and 2: These introductory levels allow new skaters with no prior skating experience to build confidence while learning to skate.

FUNdamentals – Basic 3–6: These levels develop all of the fundamental skating skills on the ice. Focus is on learning the ABCs of basic athleticism: agility, balance, coordination and speed. Upon completion of these levels, skaters will be able to confidently advance to more specialized areas of skating.

Men's Hockey

The Weston Recreation Men's Hockey program allows for the opportunity to play competitive, no-check adult hockey. This program is for experienced players of either gender and full hockey equipment is required. Teams will be formed at each session.

This program is limited to the first 25 players who sign up, so please sign up as soon as possible. Once the program is full, we will start an alternate list. People on the alternate list may be called to fill in on weeks we are short players.

No food or beverages, other than water and sports drinks, are permitted at the rink. Players will have access to a locker room, but are asked to leave promptly following the completion of their hockey. Players should respect the late hour of the program on Thursday nights when driving through neighborhood streets

red waves swim team & preseason

Red Waves Preseason

#20707

Coach John Lacey

Sec. A: New swimmers Ages 6 - 10 years

6:00pm - 6:45pm, Tues & Thur

This section is for children with no competitive swim experience who hope to be a part of the Red Waves swim team for the upcoming 2019 - 2020 swim season. This workout will help kids transition from swim lessons to a competitive team. Children must be deep water safe and be able to comfortably swim freestyle and backstroke two lengths of the pool (50 yards) without stopping. A basic understanding of diving, breaststroke, and butterfly is preferred but not mandatory. Swimmers will learn stroke technique while also building their stamina. The goal of this preseason group is to get your child comfortable in a competitive swim team setting and ready to join the Red Waves swim team at the end of October.

Sec. B: Ages 10 & Under

6:45pm - 7:45pm, Tues & Thur

This section is for returning Red Waves swimmers who will be swimming in the 8 & Under and 9 & 10 age groups this upcoming season. Swimmers will continue to work on building their stroke technique while also building their stamina and getting ready for the 2018 - 2019 swim season.

Sec. C: Ages 11 & Over

7:45pm - 9:00pm, Tues & Thur

This section is for all Red Waves swimmers in the 11 & Up age group. Swimmers will continue to build their strokes and turns while working on their endurance for the upcoming 2018 - 2019 swim season.

Sec. A limited to 20 participants

Sec. B and C limited to 30 participants each

Red Waves Swim Team

#20708

Coach John Lacey

Please register your swimmer for the section age group that they will be as of Nov 1, 2019. Our focus is instructional; however, this is not a "learn to swim" program. Prior to joining the team, everyone will be required to show proficiency in the water. Swimmers who do not have competitive swimming experience are highly encouraged to register for the Preseason program as this will ease the transition into the regular season. More information about the Red Waves can be found on the team website: www.westonredwaves.org.

The Red Waves competes in nine dual meets over the course of the season. Participants in this program are expected to practice regularly with the team each week and participate in meets. Home meets are held on Saturdays at the Weston Middle School. The season concludes with a championship meet held in early to mid-March. Swimmers must compete in at least five dual meets to be eligible for the championship meet.

Please note that the Weston High School Swim Team gets priority scheduling for use of the Middle School Pool. Red Waves practices will be cancelled or altered on days that the High School Swim Team has home meets. Participants of the Red Waves program will be informed of the cancelled dates once the HS meet schedule is set. There are no refunds given when practice is cancelled due to a WHS meet. If school is closed due to inclement weather then practice is cancelled. There is no refund given for practices cancelled due to school closure.

Parent volunteer participation is strongly encouraged.

The team swim suit and apparel sale will take place on a date TBA. Swim suits are not included in the price of the program. *All swimmers who are also members of a US swim team must attend practice at least 1x per week. This will be **strictly enforced** this season. Please sign up for Red Waves emails on the team website at www.westonredwaves.org.
